■Not a simple visiting exhibition, plenty of new artworks&limited goods

Though visiting exhibition is often the same content as the main festival, for this first-time Nagoya visiting exhibition, exhibited artworks will be renewed! There will be artworks popular in Tokyo and also those with some winter taste. There will be more than 300 artworks. Moreover, there will be limited goods in Nagoya such as Shachihoko Acrylic Key-holder of popular Mokyū and Clear file of usagraph.

< Only in Nagoya!!Check out official goods collaborated with skog marknad!>
