【Transience of decaying ruins and all the latest artworks with beauty that “changes” the image!】

Generally, when you hear the word “ruins”, you may have image of decayed things or somewhat haunted places. This exhibition focuses on the “beauty” of ruins that could change your image of ruins 180 degrees. “Change” in title means the change of image you had and we are certain that breathtakingly beautiful photos and artworks that makes us imagine stories could be enjoyed by both men and women. It’s a photo exhibition where you could experience the beauty sleeping among silence.

Also, in the special booth on site, there will be video artwork by projector. You can enjoy the realistic sensation just like actually being there.

In this exhibition, there will be Wa (@neji_maki_dori) with more than 300,000 followers in Instagram, 8st , krampus and others with total 15 artists. Also, there will be an original postcard gift for the first 2,000 visitors.

【New official booklet with the theme of beauty!】

The new must-have official booklet will be sold in special version limited with all renewed artworks. There are of course, artworks of all participating artists and other artworks that are not exhibited. It’s a must-have for fan!

【Must-have original goods with which you can take beautiful ruins to your house!】

Original goods available on site is perfect for souvenir.

Please visit the official website for more details!
