【All seals are different!? Space filled with seal... it's the rush!!】

When you hear “seal”, you might imagine spotted seal which became popular with animation or bearded seal which you can see in Aquarium. However, it is said that there are 18 sorts of seal on the Earth (□There are several opinions). This exhibition focuses on the cuteness of seal. It's the first time fusion exhibition of photo and illustration. Moreover, with 3D artworks, goods sales and animation artworks, anyone regardless of sex and age could enjoy with five senses.

As a photographer, Rei Ohara who takes baby seal photos in Canada and other locations will exhibit. In this exhibition, he will exhibit strictly selected artworks of the past 30 years. Please enjoy the overwhelming cuteness and beauty of animals. Also, for special illustration exhibition, there will be Ponta (@ponta_1005) with more than 30,000 followers in Instagram who will be exhibiting “large-scale artwork like seal climbing up from drifting ice” and new artworks and first animation artwork of Emili Uetsuki (@QOOCHO_EMILY). For goods sales, there will be more than 1,000 sorts of products on site!
