■ The summit of beauty is here “What’s Frog Michael Exhibition?”

Frog has been a familiar creature to us from old days. Since ancient time, it is said that frog can prosper only if various environmental conditions are met. For that, it has evolved in different ways resulting in more than 6,000 sorts all over the world. ※ There are various theories.

In this exhibition, we focus on the beauty of frog. The allure of frog photo is its vivid color which is used as a sample in printer manufacturer. You can enjoy stories from artworks such as a frog jumping in the rain or a frog quietly standing in the green. The competition of the beauty should make you want to see it over and over again and would change your view.

As photographers, there will be Toshimitsu Matsubashi who publishes photo book as an animal photographer and Kazuha Tani, frog photographer taking photo of “nature as it is”. You can enjoy absolutely beautiful and cute frog figure. Also, Senna Senshu popular in Instagram will exhibit artworks of waxy monkey tree frog which has eyes like cat! For goods sales, there will be frog goods with cute eyes of Michael by.kawaguchimisaki and 3D artworks made by cut Origami by Yamushisu Works. There will be more than 1,000 goods so it will be literally filled with beautiful frogs!
